WEEKLY REPUBLICAN—1915.
DAILY PUBLIC LEDGER—1916.

MAYSVILLE, KENTUCKY, FRIDAY, APRIL 14, 1916.

ONE COPY—ONE CENT.

QUARTERLY MEETING AT SHANNON.

Rev. J. D. Redd, presiding elder, will hold quarterly meeting at Shannon Saturday and Sunday, April 15 and 16. Services at 10:30 a. m. and 7:30 p. m. The presiding elder will preach at Spates Chapel Saturday at 3 p. m.; Sardis, Sunday at 3 p. m. The public is cordially invited.

Mr. J. A. Kelly of Charleston, W. Va., is here for a few days buying horses for livery stable use.

MRS. MOOREHEAD ADDRESSES WOMAN'S CLUB.

At the regular meeting of the Woman's Club at the City Mission Thursday afternoon Mrs. Moorehead of Paris, addressed the ladies on "The Motion Picture Problem of Children." Mrs. Moorehead has studied her subject thoroughly and presented it in such a way that it kept the undivided attention of her audience. The Woman's Club was fortunate and is to be congratulated in having so able a speaker.

BASEBALL SITUATION

Maysville Needs Almost \$400 More Before Team Can Be Organized—Chillicothe Willing To Take Over Franchise.

Up to the present time only a little over \$600 has been raised by the committee which was organized to secure the \$1,000 guarantee and a working fund of \$500, in all \$1,500. The amount thus far secured is not enough to start the season and unless the amount is secured the franchise will be sold to Chillicothe and Maysville will drop out of the league.

There is no reason why the fans of Maysville should not raise the necessary amount. The people of Maysville want baseball, but the question is, do they want it bad enough to raise the money?

Manager Jones says he has a good bunch of players ready to report any time that the Maysville management is ready. He is very enthusiastic about the team and says he would much rather come to Maysville than go to Chillicothe.

"Muck" McGraynor was traded Wednesday to the Toledo team of the American Association for two good right-hand pitchers. This was done because of the fact that McGraynor would not come to Maysville unless given an exorbitant salary and the management did not feel that it would be in a position to pay it.

Pitcher French writes that he has been on the farm all winter and that he is willing to report at any time. In closing he says: "I certainly do love that dear old Maysville."

Outfielder Tinnin is here now ready for training and said that he expected to see the rest of the boys already on the job when he arrived.

The outlook for a good season is bright, but the team can not be run without capital. It's up to you, Mr. Fan.

NEW FIRM TO START COAL COMPANY.

Farrow & Company, local contracting firm, have purchased most of the equipment of the bankrupt firm of G. W. McDaniel & Company, coal dealers, and will start a new coal yard at the corner of Front and Poplar streets in the Fifth ward, opposite the Growers warehouse. Besides coal the new firm will handle cement, sand, gravel, lime, and the usual line of products to be found at a first-class coal yard.

GRAND QUARTET

One of the Best Attractions Ever Presented On the High School Lyceum Course—Large Attendance.

One of the best quartets of male singers ever before a Maysville audience was the Metropolitan Grand Quartet at the High School auditorium Thursday evening. Individually and collectively the singing was up to the highest standard.

The personnel was notable in having the following: Mr. Charles L. Neth, lyric tenor; Mr. Paul Chase, robust tenor; Mr. John Eberly, baritone; Mr. Thomas Wade Lane, basso, and Mrs. Willo Page Lane, pianist. Mr. Neth led the others both in range of voice and power. There was a ring to his tone that sounded like the chiming of a bell most sensitively tuned to music of the spheres, as it were. Mr. Lane was very pleasing and the deep, rich, mellifluous tones of the profundo were delightful to listen to. The singing of Mr. Chase was very effective, especially his solo work. Mr. Eberly has a sweet, even voice, well regulated and very flexible, and is especially good as a soloist.

The ensemble work of the quartet was very commendable; the voices blended in perfect harmony, and the quartet was well balanced. The quartet numbers on the program proved very popular and were well fitted to bring out the best effects of the voices collectively. The program was of a semi-popular nature and was well received. Especially pleasing were the two closing numbers, the first act of "Faust," and the "Sextette from Lucia."

All in all, the number was most excellent and Maysville is enthusiastic in its praise.

REFUND NOTICE.

In the recent case wherein the solicitors of the Buckeye Garment Company were stopped by Chief of Police Mackey through the efforts of the secretary-manager of the Chamber of Commerce, the solicitors turned over \$13 to the secretary at his request, to be returned to those from whom the solicitors had collected. While it is known that more than \$13 was collected by these solicitors and that a refund can not be made to all, it has decided to make this refund in the following manner: Present your green contract to the secretary-manager of the Maysville Chamber of Commerce any time during the day of Saturday, April 15, and the refund will be made as long as the money lasts, first come first served, until the \$13 received has been paid out.

It is further recommended to all who have had any business dealings with these solicitors not to make any future payments on their contracts, whether they participate in the above refund or not.

WINS TOBACCO SUIT.

In the case of Alex Roberts against John Daugherty, tried in the Mason Circuit Court Thursday, the jury gave the plaintiff damages in the sum of \$142.45. It was claimed that the plaintiff had purchased a crop of tobacco from the defendant at a certain price and that after delivering a part of it, he had sold the best part to another party.

We have installed the latest improved Carpet and Rug cleaning machine on the market. Telephone us and we will clean and deliver your Rugs and Carpets on short notice. MODERN LAUNDRY CO.

WORK STARTS ON BRICK STREETS NEXT MONDAY.

Mr. R. L. Schofield of Newport, who has the contract for paving Section No. 1, which includes lower Market, Sutton, Court, Plum and from the unfinished portion of East Third street to Hunter's mill, was in the city Thursday and stated that the work on these streets would start next Monday, provided the weather was suitable.

EXPERT ACCOUNTANT HERE

Mr. Guy H. Kennedy of Cincinnati, an expert accountant, was here Thursday holding a conference with the committee which was appointed at the last meeting of the City Council to ascertain the cost of auditing the city books. It is understood that it would cost \$25 per day for the chief supervisor of the work and \$15 per day each for five or six assistants.

TO INVESTIGATE

Chief of Police Mackey and Mrs. Peddicord To Decide Whether Or Not Father Who Was Found Drunk Will Regain Possession of His Son.

John Iddington, the man who was found drunk on the grade at the foot of Market street Wednesday afternoon, and who had in his possession his 3-year-old son, whose life he was endangering by falling and rolling over him, was tried in Police Court Thursday afternoon on a charge of being drunk and was fined \$5.00.

When the man was arrested he had on his person an unmailed letter of fifteen pages written to his son in Pennsylvania. In the letter he advised the boy to sell his team and come to Maysville, where he could make a nice sum of money every month by bootlegging whisky when the work on the dam started. Iddington said that the letter was "just written in fun" and that he was "only foolin'." But Chief Mackey had his doubts as to the truthfulness of the statement and will make a thorough investigation of the man's previous activities before he is released.

In the meantime the boy is being cared for by Mrs. Peddicord at the City Mission and should it be found out that the father is not a fit person to care for the child it will be placed in some good home. The boy, whose name is William Albert, is exceptionally bright and winsome for one of his years and no trouble would be experienced in finding him a suitable home. Iddington stated that the boy's mother had left about a year ago and that he had cared for the child since that time.

Mr. and Mrs. Robert Aikman of Tollesboro, spent the day with relatives here Thursday.

PRESBYTERIAL

To Be Held At the Central Presbyterian Church Next Tuesday and Wednesday—Fine Program Arranged.

The Ebenezer Woman's Presbyterian, a missionary organization of the Presbyterian church, South, will begin a two days' session here next Tuesday. About thirty delegates from different parts of the state will be in attendance and will be entertained by the ladies of the Central Presbyterian church.

The aim of this organization is to have a missionary society in every church and every woman a working, contributing member.

Every moment of the two days' convention is crowded with good things, among which is a dinner at the church on Tuesday, two splendid addresses by Mrs. C. E. Ellis of Guernsey, Ky., a missionary and a musical on Tuesday night.

Mrs. Josephine Noyes Rogers is president of the local society and will have charge of the entertaining of the visitors while here.

FUNERAL OF MR. ROBERT DAVIS.

The funeral of the late Robert Davis was held Thursday afternoon at his home on Forest avenue, with services by Rev. H. B. Wilhoite of the Baptist church. A large crowd of friends and relatives was present to mourn his loss and pay a last tribute to his memory. The interment was in the Maysville cemetery.

Your Speed the Sharples Speed

Every member of the family turns the separator crank at a different rate. Your present separator loses a lot of cream when the speed drops below normal. This loss amounts to more than you realize.

No matter who turns the crank, fast or slow,

THE NEW SHARPLES SUCTION-FEED

Separator gets all the cream all the time. The bowl draws in just enough milk to insure clean skimming. More cream means more money—a new profit without added expense.

The Suction-feed has many other important advantages. The cream is always of the exact thickness desired. The capacity increases with the speed. The large supply can is but knee-high—easy to fill.

The bowl has only three parts and no disks. There's nothing that's heavy, clumsy or fussy to wash.

We want you to see this superb new machine. Come in and let us show you what it will do.
